OVERHAUL AND REPAIR LIMITED WARRANTY PT6 ENGINES AND ACCESSORIES

This Overhaul and Repair Limited Warranty provides limited warranty coverage for overhauled PT6 engines and accessories, and repairs, performed by United Turbine (“UT”). Each such overhaul or repair is warranted as follows:

1. For a period of seven (7) years, or upon reaching the manufacturer’s STANDARD TBO, whichever occurs first, UT will repair or replace any overhauled engine returned to UT which is found to the satisfaction of UT to be defective in materials or workmanship. The warranty activation date is the date the engine is first operated for any use after overhaul, or the 90th day after UT’s invoice date, whichever occurs first.
2. For a period of one (1) year, or one thousand (1,000) hours, whichever occurs first, UT will repair or replace any repaired engine returned to UT which is found to the satisfaction of UT to be defective in materials or workmanship. The warranty activation date is the date the engine is first operated for any use after the repair, or the 90th day after UT’s invoice date, whichever occurs first.
3. For a period of one (1) year or one thousand (1,000) hours, whichever occurs first, UT will repair or replace any overhauled accessory returned to UT which is found to the satisfaction of UT to be defective in materials or workmanship. The warranty activation date is the date the accessory is first operated for any use after the overhaul, or the 30th day after UT’s invoice date, whichever occurs first.
4. For a period of six (6) months or five hundred (500) hours, whichever occurs first, UT will repair or replace any repaired accessory returned to UT which is found to the satisfaction of UT to be defective in materials or workmanship. The warranty activation date is the day after UT’s invoice date.
5. UT will, at its option, replace any defective engine with an overhauled engine, and any defective accessory with a new or overhauled accessory.

OVERHAUL AND REPAIR LIMITED WARRANTY
PT6 ENGINES AND ACCESSORIES

6. Repair or replacement of any engine or accessory under this warranty will not extend the period of warranty coverage set forth above.

7. This warranty does not apply to any engine or accessory overhauled or repaired by UT which (1) has been subject to misuse, neglect, or accident; (2) has been installed, repaired, maintained or altered in any way that in the judgment of UT has adversely affected the condition of the engine or accessory; (3) has been operated inconsistent with UT and engine manufacturer recommendations and limitations; or (4) has been changed from its original FAA certificated configuration.

8. UT will not be responsible for the repair or replacement of any engine or accessory that has failed as a result of corrosion, operation with non-calibrated engine gauges, improper fuel system adjustment, non-approved fuel, oil grades, or additives, or installation of non-approved parts or components that alter the engine's original type design.

9. The provisions of this warranty do not apply to normal maintenance service, or to the replacement of normal service items.

10. THIS WARRANTY IS A WARRANTY TO REPAIR OR REPLACE AND NOT A WARRANTY OF THE CONDITION OR FUTURE PERFORMANCE OF THE PRODUCTS WHICH IT COVERS. THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, SPECIFICALLY, BUT WITHOUT LIMITATION, THERE ARE NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL UT BE RESPONSIBLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF REVENUE AND DELAY IN DELIVERY.

11. This warranty is governed by the laws of the State of Florida, excepting its conflicts of laws rules.

12. No person is authorized to give any other warranty or to assume any additional obligation or liability on behalf of UT.
